

The El Salvador Gang Crackdown: 4 Years Later

ATLAS ANALYTICA

Incultivating empathy through awareness

The El Salvador Gang Crackdown: 4 Years Later

SOCIETY • September 2026

Four years into El Salvador's sweeping security campaign, what has changed, and what questions remain about its social and political cost?

This is a temporary preview PDF created for the Atlas Analytica website prototype. Replace the corresponding file in the articles folder with the final article PDF and the website viewer will automatically display it.

Editorial notes

- The final article can contain the full research, references, graphics and photographs.
- The Atlas Analytica viewer is designed to preserve the PDF as the primary publication format.
- Readers can move between pages using the horizontal sliding controls.
